(Story in Col. 1)

# KRLA BEAT

## RECORDS GIVEN TO LISTENERS

**HOLLYWOOD** — The giant KRLA giveaway, now in its second week, has had "fantastic results!" KRLA has given away over 6,000 records to listeners who sent in a post card to Musical Jackpot, KRLA, Pasadena. (P.S.: If you haven't sent your card in, hurry up . . . there's only two weeks left!)

### SACKS OF MAIL

The post office has had to get men with strong backs to bring all the mail to KRLA! The contest averages over two full sacks a day, and thousands of cards are stacked up waiting for each drawing. Before each d.j. goes on the air, he reaches into the huge box where all the cards are stacked and pulls out several handfuls of post cards. After he draws the cards, the box is rearranged to make sure everyone gets a chance. In this way, every record played on KRLA is given to some lucky listener.

### SLEEP NO WORRY

This is one contest that you don't have to worry about missing if you're asleep. Benevolent Bobby Dale, KRLA's gear night time d.j., keeps close track of all the cards he draws. Your records will be sent to you within a few days after the drawing, so there is no need fret missing your name.

### LISTENERS GET TWO GIFTS

One of the cards KRLA gave gave the station a really great compliment. It said "The record, if I win it, isn't the only gift I get from KRLA. Just listening to your station is such a treat that I like to think of it as a present too!"

KRLA was really happy to hear that, and we hope you all feel that way. We plan on doing everything we can to help you continue to keep KRLA on top!

HI, HULLABALOOERS!

Geesh, what a week! Half the population of England was right here in jolly old K\*RL\*A\* N\*D! Yes, I've really been the busy boy this week. Gathering

most with the Rolling Stones, convincing the Dakotas that there were 48 other states in the union, making paces with Gerry . . . it's been a wild scene! Actually, they all came over here to see me, you know, since I'm the best honorary editor in the world. At least, I think so. (YOU MEAN YOU REALLY THINK, BIG BOY?) Not again! Maud, can't you leave me alone for just one week? Listen, Maud, I heard that Brian Epstein was thinking of signing you up . . . to be a stand in for his dog! OH, YEAH! I HEARD HE WANTED TO USE YOU INSTEAD OF A PUMPKIN FOR HALLOWEEN! Maud, did anyone ever tell you you're like an ancient city . . . Babbler-on? (YOU'VE GOT A LOT OF FUNNY MATERIAL . . . BUT IT'S ALL IN YOUR CLOTHES) And you've got a lot of funny lines, Maud, but they're all in your face! Anyhow, before the stars coming after me again, I just want to tell you that next week I'm going to have a scoop about the Beatles' next movie. It's unbelievable, so watch for it! This is the only place you'll see this information, and you'll never guess who told me! So since you won't guess, I'll tell you! I spoke to George Harrison's mother, and you'll get the scoop right here next week!

## REB ON WAX!

**HOLLYWOOD** — Reb Foster, one of the most popular d.j.s in California, will make his recording debut this week for the Reprise label. Reb will cut four sides at his session and will release the

Well, KRLA did it again! We snapped up all the English groups just for you! All of you heard the exclusive interviews Gary Mack got from Gerry, Billy J. and of course, the Rolling Stones. And naturally, the KRLA BEAT photographer was there to get pictures of every minute all three groups spent in K\*R\*L\*A\*N\*D! In fact, the pictures of the Rolling Stones show were so groovy that we're saving them for a whole section alone in an upcoming issue. KRLA was the only radio station lucky enough to get such exclusive interviews . . . which goes to show that KRLA listeners are always first in EVERYTHING!

When Gary Mack walked into the special section at the airport reserved for KRLA, he was greeted by screaming fans, all waving copies of the KRLA BEAT.

Before he had time to think, Gary for his autograph. These fans were all they wanted Gary, too!

Gary grabbed a snack with the boys, and then showed them a copy of the KRLA BEAT. They loved it and took copies back to England to show to other British stars!

Finally, the Stones arrived! They asked us to come to their hotel room at the Roosevelt. Here, Gary introduces himself to Mick and Keith and starts the first interview.

Gary asks Mick if he has a girl he's looking for! Mick plans to come back to his favorite state.

Mick, Keith, and Bill relax for a few minutes before Gary tapes another interview. Brian was unpacking, and Charlie was still in San Francisco getting some confederate money for his Civil War collection.

Mick said that he liked this picture. "I usually don't like my photos," he added, "but this one is pretty good . . . it has something!" Don't you agree with him? Bill and Keith liked it too.

Mick and Keith discuss the songs they which was recorded here in town. K. come here again soon.

Gary plays his new record for Mick. He will tour England with the boys this spring. That's Keith's guitar, by the way, and he takes it everywhere he goes. His hobby is playing flamenco songs.

Backstage at the filming of the TAMM show! Here, Brian looks at his watch while Mick signs autographs in the background. Rob Foster and Dick Moreland were there too, and both of them had a blast!

Terry Brown, Bob Eubanks' secretary the show. In the background is Jane M. There were over 15 sets on the show.

was plunked into a chair and asked there to meet the Rolling Stones, but

Gary decided to take a walk before the Rolling Stones got there . . . Imagine his surprise when he ran into Billy J. Kramer and Gerry Marsden, who made a secret stopover in L.A.

None of the fans knew about the surprise arrival either . . . it was a big surprise! But the girls told Gary's tape recorder what a gear surprise it was!

in California. "Not yet, luv, but I'm here alone when he can, since this is

Mick poses for the KEIA camera. When he saw this picture, he said, "No no one will ever believe that I comb my hair . . . but I do! (He does, Gary saw him!)"

Bill Wyman talks about old times with his friend, Joey Paiga. Joey met the boys in England and was at the airport to greet them when they landed here in K'R'L'A\*N'D.

ry are writing for their new album, with liked Hollywood, and hopes they

"Watch the Birdie, boys!" After this shot, they showed Gary Brian's new guitar. "It's the only one like it in this country," Mick said. You'll see it in pics of the show KEIA had in Long Beach.

Gary asked Keith what his favorite food was. Keith said, "Spaghetti with bacon and butterscotch sauce." Now you know why Gary has that look on his face! Even Mick turned green!

and a good friend of Mick's, discuss instead, editor of Teen Screen Magazine.

Guess who else was at the show? No, they aren't twins! Dick Moreland and Gerry Marsden do look alike, though! More pics of this show in a future issue. Be sure you don't miss it!

Bill, Charlie (the one who is so interested in the Civil War), Mick, and Keith wait to go on. Brian was still getting dressed. The boys really tore everyone up!

**DUE TO THE LACK OF SPACE BECAUSE OF THE PICTURE SPREAD IN THIS ISSUE, THE PERSONAL COLUMN WILL NOT APPEAR THIS WEEK. IT WILL RESUME NEXT WEEK AS USUAL. SO SEND 'EM IN!**

## RECORD REVIEW

It's Bob Eubanks here, to give you the latest news on record reviews!

Brian Epstein informed me that Tommy Quickly, his new artist, will have his new record released on November 25th. I've heard it, and it's terrific.

The new Beach Boys record, "Dance, Dance, Dance" will probably be their biggest yet. It's a gas.

Watch Little Anthony get another hit with "Goin' Out of My Head." This was written by Teddy Randazzo, and is a really wild song!

The one record that tears me completely up is the new Four Seasons sound of "Big Man In Town." Wow!

One record that has got to make it is "I Had A Talk With My Man," by Mitty Collier. She's an English gal, and the record was number one for a good long while over there. If you've heard it, you know why. Hixville for this!

Well, that's all the room this week. See you soon, and if you aren't good, I'll get you!

## REB...

two, that he thinks are the best. Reb, originally from Texas, was a good friend of the late Buddy Holly, and their voices are remarkably alike.

Although the young dj, has been at KRLL little more than a year, his show is the most popular late afternoon show in Los Angeles. Reb lives in a rambling bachelor house high in the Hollywood Hills. His good looks and handsome personality have made his dances and personal appearances complete sell outs, while many of the top stars in the recording business are his close friends. Billy J. Kramer and Gerry and the Pacemakers especially requested that Reb be present at their Electronovision filming.

The record will be released sometime next month, and you'll hear it first, of course, on KRLL!

## STAR IN CRASH

OHIO—J. Frank Wilson, who's song, "One Last Kiss" is tops on the KRLL top thirty, was seriously hurt two weeks ago in an auto crash as he was on his way to a performance. His manager, Sonny Roush, was killed. Roush was driving, and apparently fell asleep at the wheel.

J. Frank Wilson said that he will be better soon and will resume the cross country tour he was making at the time of the accident. He suffered chest in-

juries. Also in the crash was Bobby Wood, a country singer.

STARS IN OTHER CAR

Following in another car behind Wilson's were other acts in the show. They were Jumpin' Gene Simmons, Murray Kellum, and Travis Wammack. None of the other stars were injured.

~~~~~  
**Would you like to deliver a personal message to the Dave Clark Five? You Would? Groovy! Because all you have to do is send your letter to the boys to the KRLL BEAT, and we will personally deliver the letters to the D.C. 5 as soon as they come into town. Don't send any packages or big envelopes, because we can't deliver anything but letters. Make sure your letter gets here before November 25th, so that you'll be sure they get it. All of you know that most stars try to read their fan mail, but many times you can never be sure if it really gets to the star you have written to. Now not only can you be sure, but positive, because the KRLL BEAT will make sure that they are delivered right into the D.C. 5's hands!**

## FAX...

## ON...

## WAX!

Hi, this is the Rebel himself to clue you in on the latest happenings! Let's go!

Bill Wyman of the Stones has a nearly two year old son named Stephen. He's pretty cute, too!

Speaking of the Stones, Mick and Keith told me before they left that they plan a secret visit to this country around Christmas. They were to come here and relax for a while. I'll let you know more later!

The new Beatles record will be out November 27th in England and will get here a few days later. It's called "I Feel Fine," and the other side is "She's A Woman." They also have a new album which will be released here December 4th. The album will have 9 songs, all new, written by John and Paul. Its title will be "Beatles For Sale." Don't we wish they were!

If you think you saw Stones rolling along outside the RCA studios on Sunset, you were right! The boys recorded six tracks for their new album there. They asked me not to give the names of the songs, so I can't, but they were written by the boys and are a gas! Scoop! The Beatles will be returning to this country before August! In fact, they may be here sooner than you think!

Well, that closes it for another week. See you in two weeks with more fax on wax!
