

# MORE ENGLISH GROUPS TO BE HERE THIS MONTH

FIVE CENTS

(Story in Col. 1)

## KRLA BEAT

### SIX GROUPS COMING HERE

**K\*P\*L\*A\*N\*D**—It looks as though January is going to prove to be just as groovy a month as last November, as far as the group scene goes. The Kinks are scheduled to arrive in town during the first or second week in January, and they'll open the year with a possible appearance on Shindig. These four gear guys are fast becoming one of the top R & B groups in the world, second only to the Rolling Stones. Their latest record, "All Day and All of the Night" is high on KRLA's tune-dex, and going higher, by the looks of things!

#### DAVE'S GROUP TOO!

Dave Hull's own English group, the Hullabalooers, will do the Sullivan show in late December, and may also decide to join the crowd and visit **K\*P\*L\*A\*N\*D** too! When they first heard about Dave "adopting" them, they said they didn't want to leave America without at least meeting him! This group went way out for a gimmick... they all dyed their hair blonde (?) and let it grow down to their shoulders! But when you see them in person, you'll think it's a gas! They're the only group in the world managed by an honest to goodness titled nobleman!

The Animals will be out here on January 24th for their Shindig show. There's live in this group (as if you didn't know!) and they're the ones who dig blue jeans. In fact, they even had tailored blue jeans made for their performances!

#### D.C. FIVE MOVIE

About the biggest news, and the news everyone is waiting for, is the scheduled Dave Clarke Five movie, which would keep the group here for at least three months. Look for the story about this elsewhere in this issue. Other

Hey, did you see those pictures of me on my junky float last week? Guess what! You can have one of them, life size, for only \$500.00! Isn't that great! Aren't you excited! Guess! Forget I ever mentioned it! Anyhow, it's nearly time for the Animals to arrive. "WHEN I LOOK AT YOU, BIG BOY, I THINK THEY'RE ALREADY HERE!" Mand, you don't know what you're saying! If I were an Animal, do you know what I'd do? "NO, WHAT?" I'd take all my money I made from "House of the Rising Sun," buy KRLA, and play Beatle records 24 hours a day! Seriously, I like the Animals too. Before I go, let's have a be kind to Animals minute... and after that, let's have a be kind to me year! Oh, well, you can't win 'em all! See you next week!

### D.C. FIVE WILL FILM MOVIE HERE

HOLLYWOOD—It has been reported to the KRLA BEAT that the Dave Clark Five will be returning to **K\*P\*L\*A\*N\*D** shortly to film their movie, "The Dave Clark Story." When the boys went back to England last month, they said that if everything went well, they would be back January 18th to begin filming. If things have gone well, and they do make the film here, some lucky KRLAers are going to have the time of their lives! Why? Because Dave said before he left that instead of using Hollywood extras to play fans in the film, he would rather use typi-

# THE BEST OF

Ever since the KRLA BEAT started, you have been able to see some of the grooviest pictures in the world of all the top names in the record world, along with real behind the scenes pictures of KRLA's djs. These pictures have been taken exclusively for the BEAT, and you will never see them anywhere else. Which leads to a problem! So many of you have requested more pictures of the Beatles, the Dave Clark Five, The Stones, and all the other groups, that we've decided to print highlights from all past issues! So here it is, the best of the BEAT!

A few issues later, you all got a 'backstage look' at KRLA. Record stars drop in all the time to say hello to their favorite station, and a day at KRLA is enough to make any fan happy!

A few days later, the TAMM Show started filming. 3000 lucky KRLAers got free tickets to the show, courtesy of KRLA. And what a show it was! Every star you can think of was there in person!

Even the other acts came out to see the boys! Dick & DeeDee, who were in the show, are also good friends with all of them. Jimmy Clanton, The Spats, The Vibrenos, and the Soul Brothers were there too! Photography by ROBIN HILL

Who will ever forget this wonderful day! After days of breathless excitement, the Beatles finally arrived! And of course, all the pictures of their whole stay were in the first issue of the BEAT!

The dj meeting! Our djs meet once a week to discuss the programming policy and make suggestions. Everyone helps to make KRLA number one and keep it there... even you!

With the Rolling Stones, Beach Boys, Billy J., Gerry & the Pacemakers, James Brown, Jan & Dean, Chuck Berry, and even more, it's no wonder that even Benevolent Bobby Dale showed up!

Well, man! This issue seemed to be everyone's all time favorite, (except, of course, for the Beatles ones!) The Stones will pay a surprise visit to K'R'L'A'N'D towards the end of January.

The press conference at the Cinnamon Cinder gave many see the boys close up. Of all the places they stayed at, liked K'R'L'A'N'D the best!

The newest addition to KRLA! Gary Mack, our 'meet 'n' talk' to Bob. Gary loves meeting the English groups, & greeted at the airport by KRLA!

This has to be one of the greatest pictures the KRLA BEAT and Gerry of the TAMM Show that lots of fun was had! It was so run more on the show, so we did!

Before you could turn around, it was Dave Clark Five! There to cover the show for you (of course)! He wants to look at the headline! The show was fab!

How many of you cried at that final bow? All too soon, the greatest group in the world left our town, but we really didn't feel too bad. After all, they said they would be back!

October and November were the greatest months of the year! First, Rob brought in the Billy J. Kramer, Gerry and the Pacemakers show, and kicked off the start of the group invasion!

In the next issue, you were there as Gary Meck made his first trip to the airport to meet the Rolling Stones. It was the first time a lot of you "met" them too, and you all really dug them!

A few weeks later, Brian Epstein introduced Tommy Quickly to America! Of course, he picked L.A. for his first stop... wonder why? Could KRLA have had anything to do with it? You bet! We're Brian's favorite!

In the second issue, the BEAT took you to Bandstand, with our own Charlie 'O'! Here, Charlie and Bobby Vinton get ready for showtime. Charlie has been with the show for six years!

Who could ever forget Gerry & the Pacemakers? The way he kept winking at everyone in the audience made friends of everyone there! The show was a real gas, and set the 'stage' for other gear shows!

How many of you were lucky enough to see this in person? Remember when Dave, Bob, and Charlie came out to introduce the Stones at their show? Anyone who wasn't a Stone fan then was after the show!

Suddenly, Manfred Mann came in, closely followed by Herman & the Hermits and Peter and Gordon. It's beginning to look as though K'R\*L\*A\*N'D is the headquarters for all the groups!

THE PERSONAL COLUMN WILL NOT APPEAR THIS WEEK. IT WILL RESUME NEXT WEEK AS USUAL. SO SEND 'EM IN!

Thanks for all those groovy letters so many of you have been writing to the KRLA BEAT. We love hearing from you, and read every letter we get! Remember to address all mail to the new KRLA BEAT mailing address at P.O. Box 702-M, Pasadena, California. And don't forget that you can now order the KRLA BEAT by mail! Just enclose five cents and a self-addressed stamped envelope, and your copy of the BEAT will be sent right out! If you want a back issue, we have those too! Back issues are ten cents, plus a self-addressed stamped envelope.

## BEATLE BITS

by Dick Moreland

It's time for those Beatle bits again!

George has lost so much weight that his doctors are putting him on a special diet! The poor boy only weighs 118 pounds! Don't worry, George, that's the same number of pounds carried by Miss America!

"I Feel Fine/She's A Woman" (you can't say just one title, since both are number one!) sold three quarters of a million records before it was even released! I'll bet it took all of two days to become a million seller!

John and Paul are very serious about writing a Broadway-type musical! The two are even writing plot outlines! They won't quit the Beatles if they become successful playwrights, but as John said, "It's always nice to be well rounded!"

John's new book, tentatively titled "A Spaniard In The Works" will be out in February, or March. They're saying it's even better than John's first one!

Yes, it's true that Ringo was evicted from his apartment! But for a very funny reason! His fans wanted to wish him good luck before he went into the hospital, and they all congregated outside Ringo's apartment to do it! The noise was so great that the apartment manager politely asked the Beatle to move.

That catches you up on the latest... I'll be back in two weeks with more Beatle Bits!

D.C. Five... cal teenage fans! This is all the information we were able to get at the time, but KRLA is carefully checking the facts, and you'll get the lowdown next week in the BEAT! Until then, keep your fingers crossed!

## CASEY'S CORNER

by Casey Kasem

Hi! The Kaser is here to let you in on some more little known facts about well known people!

Did you know that Del Shannon got his start while he was in the Army? He played guitar in an Army production!

The Ronettes were discovered at the famous Peppermint Lounge in New York! Gene Pitney started in the Music Business as a songwriter! He wrote a song that had too many high notes in it for most singers, recorded it, and was on his way!

The Righteous Brothers started out as two single performers, and one might get up to sing a song together. You know the rest!

Martha and the Vandellas got their start from Marvin Gaye! They did the background music on one of his sessions, and Marvin liked them so much that he helped get them signed to a recording contract!

This is it for this week! I'll be out 'Casing' some facts for you and see you in two weeks!

Don't forget to send in your vote for your favorite group! The votes are pouring in, and the top group will get the KRLA BEAT AWARD! Our d.j.'s selected the top five groups, but your vote will decide the winner!

The five stars that the D.J.'s have selected this year are:

- The Beatles
- The Rolling Stones
- The D.C. 5
- The Beach Boys
- The Four Seasons

Vote for the one you think is the top group in KRLA BEAT AWARD! Maybe YOUR vote will decide who gets the award! (Use the ballot below)
